Training Courses

None planned at the moment.

Your Reviews

- [EPUB 3 Best Practices](#)
- [Art of Community, The](#)

Reviews of the following books -

- [Twisted Network Programming Essentials](#)
- [Computer Science Programming Basics in Ruby](#)

can be found on the [UKFLOSS Newsletter](#).

Review copies are free! They are sent free of charge as paper books or e-books.

To get a free paper copy, send me the reviewer's postal address and phone number - the phone number will be used by the courier only. For an ebook, please ask the reviewer to open an account on www.oreilly.com, send me their registration details (name, email address) and I will arrange for the book to be downloadable.

The review should be published on your website and the URL sent to me.

Test iOS Apps with UI Automation
Jonathan Penn

Ultimate Microcontroller Projects
Don Wilcher

Windows PowerShell 3.0 First Steps
Ed Wilson

A list of short books about fast developing technologies that are best purchased as e-books. You will receive the ebook in up to 5 DRM free formats and get the free lifetime updates when the content of the book is updated.
